TEXT STUDY – PARTE 1

One billion dollars promised to rebuild Notre Dame

1 People have donated over one billion dollars to help rebuild the Notre Dame
2 cathedral in Paris. The 850-year-old cathedral was badly damaged in a fire on
3 Monday. The UNESCO World Heritage site is one of the most important cultural
4 buildings in France. Wealthy people from all over France and around the world have
5 given hundreds of millions of dollars to help restore the cathedral to its former glory.
6 French president Emmanuel Macron told the nation in a televised address that he
7 would make sure the reconstruction would be finished within five years. This would
8 be in time for the opening of the Paris Olympics in 2024. However, architects say it
9 could take decades to rebuild the world-famous landmark.

PARTE 2

1 Some of the donors that are handing over cash are French
2 billionaires. They include the owners of the luxury brand Louis
3 Vuitton and the cosmetics company L'Oreal. The French oil company
4 Total is also pledging 100 million euros. Apple CEO Tim Cook
5 tweeted that his company would donate an unspecified amount. He
6 said: "We are heartbroken for the French people and those around
7 the world for whom Notre Dame is a symbol of hope. Relieved that
8 everyone is safe. Apple will be donating to the rebuilding efforts to
9 help restore Notre Dame's precious heritage for future generations."
10 However, many people are asking whether the money would be
11 better spent on helping the world's poor.
